# Junior Club Lease Program

**Lease Clubs for only \$15 per month! (3 Month Minimum | \$45)**

### Mission:

To provide a quality & affordable club option to juniors and families in our community, and to promote additional participation in the game of a lifetime.

## Club Lease | How it Works:

- Juniors/Families lease club sets from the WYGA to use for golf in classes and personal practice/play!
- Golf sets are determined by players height. Junior returns clubs when they are done for the season, or have outgrown the current set & need another!
  - **Lease Rates:** \$15 per month (3 Month Minimum - \$45)
- No more purchasing golf clubs that get outgrown. Sets are course ready & have all clubs a junior needs!
  - Return clubs after 3 months, or continue leasing at \$15 per month!
  - Equipment: Top of the line US Kids Golf Clubs (Includes Bag, 4-5 Clubs)
- **\*\*Limited Sets Available (First Come First Serve) - Right Hand Inventory Only in 2017**

Thank you to the Pacific Northwest PGA Section & Oregon PGA Chapter for helping fund the WYGA Club Lease Program, and allowing juniors and our community additional resources to play the game of a lifetime!
